

PROGRESSIVE DEVELOPMENT. DIFFERENT BY DESIGN.

Aragon is a Vancouver, Canada-based development company with 35 years of experience creating unique homes and commercial retail spaces throughout North America. We believe in nurturing community, raising the bar for design, championing value, and pushing for innovation. We're not afraid to challenge the status quo to move the industry forward.

We are a vertically integrated company—and we collaborate across departments to build better homes and communities. We bring our intense focus on quality and craftsmanship to everything we do—from land acquisition to construction to interior design.

THE OPPORTUNITY:

ASSISTANT SITE SUPERINTENDENT – ESQUIMALT, BC (Oakwoods)

Aragon is seeking an Assistant to support, and report to, the Site Superintendent at site level for our 177-unit condo project in Esquimalt, British Columbia. You will be responsible for the coordination and execution of work in order to deliver project milestones on time with a focus on exterior finishes and framing.

The successful candidate must have thorough knowledge of all aspects of construction and experience working with wood frame.

Aragon offers a great environment that fosters innovative thinking and gives members of our team an exciting, rewarding work experience. We offer a complete benefits package with a strong focus on employee development, team building, and providing opportunities for growth and career development.

What you will be doing

- Manage work on site to ensure the compliance of construction with the drawings and schedules.
- Conduct inspections to determine manpower and equipment required.
- Monitor work performance to ensure that procedures and safety requirements are being adhered to by site staff.
- Advise the Superintendent of any potential problems and assist in a resolution.
- Oversee job site safety, quality, and scheduling.
- Responsible for the coordination of work to ensure the project is meeting milestone dates.
- Booking concrete and inspections
- Ordering materials and Pos.

What you will bring along

- Must have at least 3 years in the role of Assistant Site Superintendent for a residential builder.
- Core experience in framing, building envelope and landscaping
- Must be able to demonstrate leadership and self-management skills.
- Must be able to work well under pressure and meet deadlines.
- Excellent communication skills, a strong work ethic, and a great attitude

What we offer:

- To be a part of a Creative, Forward-Thinking Team!
- Education Assistance Benefit Program
- Healthy Lifestyle Fitness Reimbursement
- Dental/Medical Benefits
- Health Spending Account
